AMENDMENT

Sir:

In response to the Advisory Action and Notice of Non-Compliant Amendment of November 20, 2006 and teleconference of November 29, 2006, please find the following corrections to Claim 11. As pointed out by Examiner Hageman, the last phrase of Claim 11 was inadvertently dropped from the October 16 Office Action response.

The Claims are reflected in the listing of claims which begins on page 2 of this response. Claim 11 is corrected to reflect the addition of the last phrase as previously submitted in April.
